Mason & Stanley Clinic for Inner Health, book 1. Taking Candy Book 1 (First Time Medical Exam) When Trevor at the Fast Loan Finance Company offers Candy a unique way to clear her debts she jumps at the opportunity. However, before she can begin her career, starring in Trevors erotic movies, Candy needs a complete medical. Lucky the sexy Doctor Dennison is right upstairs from Trevors office, and he can see her right away. In no time shes spread and in stirrups for the doctor who performs a deep and thorough medical examination. Trevor films the entire procedure including the good doctor taking everything he wants from Candy, hard, fast and without protection. Taking Candy Book 2 Candy thought her first medical examination with the sexy Doctor Dennison was meticulous to the extreme, but shes called back a week later for further probing. Of course, Trevor is back to film the entire humiliating procedure, including the dirty doctor giving her a thorough clean out and penetrating examination in the one place no boyfriend has ever ventured. Taking Candy Book 3 Candy discovers two doctors are even better than one when she returns for session number three with the sexy Doctor Carl Dennison. Theyre joined by Doctor Marcus Stretton, the dentist in the medical suite along the hall who has kindly offered his chair and oral expertise for Candys next adventure. Shes thoroughly examined, schooled in oral hygiene and much more during an afternoon where both doctors attend to her health and physical needs repeatedly. Dirty Doctor Dennison Book 1 Michael and Joan again seek the help of Doctor Dennison. Joans fears and Michaels bull-at-a-gate methods mean theyve been unable to breach her last place of entry! No matter

what they've tried, Joans backdoor remains firmly closed. While Michael watches, the Doctor takes command and gives Joan a thorough examination, including an intimate cleansing and dilation, proving her satisfaction is all about technique. Joan is left to rest after her vigorous probing and stretching session, and Dr Dennison takes her bigoted husband to another room to teach him a lesson. Michael is bent over the table for a first-time encounter with the doctor which he finds embarrassingly pleasurable. Dirty Doctor Dennison Book 2A medical examination with the sexy gyno, Dr. Dennison, was something I'd only dreamed of. Sure, he was a bona fide doctor, but he also starred in my favorite medical fetish videos. He'd fueled my fantasies for two years, and as a birthday surprise, my husband arranged an appointment for me to be stretched and probed in every orifice. Dennison was the dirty secret I shared with my husband. Now, my husband and Dennison were about to share me. BONUS STORY #1 Best Seller in Victorian Erotica Drs. Mason & Stanley Clinic for Inner Health: Ediths Training ~ Book 1 London, 1920. Edith didn't realize that working for Drs. Mason and Stanley at their clinic for Inner Health meant her own health and bodily functions would come under close scrutiny. She was grateful for the live-in position with the two gentlemen only to discover they had demands and desires she did not foresee. Edith endures an embarrassing, thorough medical exam, a deep internal cleansing, and manual assistance from Doctor Mason to release her own internal miasma. The doctor is kind, but a strict disciplinarian, and does not spare the rod. His clinic partner, Doctor Stanley, is soon to return from his travels where he's been demonstrating his latest invention a device which Edith is promised will bring much pleasure.
