

The 3 Gs of Kitchen Cleaning: Over 20 recipes that are Good for you, Good for the environment & Good for your wallet (3 Gs DIY Household Products Book 1)

Good for you, Good for the environment, and Good for your wallet. Every recipe meets this 3G principal- Not only will you learn how to make your own non-toxic, eco friendly household cleaning supplies, you will actually save money doing it. This book will help take the intimidation out of making your own cleaning supplies with a baby step process while sharing reasons why you should make the change.
