

The Birth Partner, Third Edition: A Complete Guide to Childbirth for Dads, Doulas, and All Other Labor Companions (Birth Partner: A Complete Guide to Childbirth for Dads, Doulas, &)

If you want to learn how best to help an expectant mother have a happy and healthy childbirth, *The Birth Partner, Third Edition* is the only book you'll need. For almost 20 years, husbands, partners, friends, relatives, and doulas have turned to this book for guidance on being a supportive partner in the delivery room. The expanded third edition includes the most up-to-date information about techniques, devices, and medications for easing labor pain; tests and treatments of the fetus and newborn; strategies to help labor progress; potential medical procedures and interventions; and how best to help the mother during the early days after the birth. And, with its easy-to-use format and new illustrations, *The Birth Partner* is the essential guide have on hand in the delivery room.
