

## Discovered by the Delivery Guy: College BDSM

Okay, so I've been lusting after our delivery guy, Justin, since the semester started. It doesn't mean I want to date him. I'm just not looking for that sort of thing but that doesn't stop me from wanting him. Bad. And when a slip of the tongue leads to Justin finding out over the phone while we were placing an order, I'm about as embarrassed as I could possibly be. That is, until my roommate decides she's going to handcuff me to my chair and leave the keys with Justin when he comes by to drop our order off. Now I'm stuck, and entirely at his mercy and I couldn't be happier. This hot erotic short features bondage, BDSM, male domination, female submission, new adult antics, and a whole lot more!
