When Katrina's pig of a husband sues her, she decides to represent herself in court. Big mistake! Her husband hires a gang of smoking hot, high-powered lawyers. The gang of lawyers does a kinky and humiliating cross-examination on Katrina in front of her husband and all twelve men of the jury. Will Katrina object to the sexy lawyers unorthodox methods, or will she plead for more? Either way, Katrina has foregone legal defense, and that's not the only kind of protection she says no to.
