

Jayne Ann Krentz CD Collection 4: Sizzle and Burn, Running Hot (Arcane Society Series)

Sizzle and burn: Being called creepy can be hard on your self-esteem - even for an attractive, independent woman like Raine Tallentyre. That's what happened when she revealed her paranormal abilities, bringing her recent romantic relationship to a hasty end. Her aunt Vella, a gifted but troubled soul, told her years ago to keep her talents a secret. And now that poor Aunt Vella has died, Raine has resigned herself to a lonely life. But when she journeys to Shelbyville, Washington, to clear out her aunt's house, Raine's highly developed sensitivity leads her to a horrifying discovery: a young woman, bound and terrified, in a basement storage locker. The victim is alive, and the culprit is loose. Enter investigator Zack Jones, who isn't repelled by her powers: in fact, he has his own. While Raine hears voices, Zack sees visions, leaving Raine to experience an intense, thrilling intimacy that she never dared to expect. There's one complication, however: Zack is working for the Arcane Society, the secret organization dedicated to the study of paranormal phenomena that shattered Raine's family with an act of betrayal long ago. As a killer makes her his target, Raine and Zack must rely not only on their powerful abilities but on each other as well.

Running Hot: Ex-cop Luther Malone, lifelong member of the Arcane Society, is waiting to meet Grace Renquist. Hired as an aura-reading consultant in the quest for a murder suspect, she's got zero field experience; she's a librarian, for heavens sake. She's not expecting much from Malone, either, who walks with a cane and isn't so good with a gun. Nice resume for a bodyguard. But even before they reach their hotel in Maui where they'll be posing as honeymooners Grace and Luther feel the electric charge between them. Problem is, they need to remain vigilant day and night; because it soon becomes clear there's more going on here. Rogue sensitives operatives for the underground group

Nightshade are pouring into the resort. Grace understands how dangerous these people can be...especially with those para-hunters at their sides.
