

# Road to Perdition: On the Road v. 2

The best-selling graphic novel and inspiration for 2002s hit film The Road to Perdition introduced the world to hitman Michael OSullivan (played by Tom Hanks). OSullivan and his son are still on the run from Al Capone after Michael Jr. witnessed a mob murder. Michael and his son seek vengeance for the death of Michaels wife and younger son by robbing banks along the way and disrupting Capones cashflow. However, they are still being pursued by dangerous bounty hunters, and their paths are destined to cross again in a hail of gunfire! Written by award-winning writer Max Allan Collins (Batman: Child of Dreams) and featuring a new cover by Jose Luis Garcia-Lopez -- this collects the entire saga.
