

Ragdoll Cats 2015 Square 12x12

Named for their similarity to the dolls that fall limp when you hold them, ragdoll cats have charming blue eyes and an affectionate, docile nature that could charm anyone, especially a cat lover. In the 1960s, American breeder Ann Baker developed this type of cat and they have been loved ever since, flopping into the hearts of cat lovers everywhere. This calendar is a cute and relaxing addition to any home! BrownTrout is committed to sustainability.
