

## Reapers Reward (Satyrs Myst Book 2)

From USA Today bestselling author Marie Harte... For a woman not big on sex, Jewel cant help herself around Ethan Reaper, a man with an attitude to match his giant frame. More than commanding in his job, Ethan desires to master a woman in bed. And Jewel is one gem he cant resist REAPERS REWARD Ethan Reaper is lucky at work but unlucky at love. He has particular tastes in the bedroom and cant find a woman to satisfy him. A new job for his security firm puts him in the middle of the Caribbean in a fantasy resort where anything goes. But the woman who steals her way under his guard is more than she appears. Jewel Marciella Jewel Riser has no idea of what her undercover assignment at Satyrs Myst, an exclusive and very private resort, will entail. Her attraction to Ethan is her first surprise, her job as a sexual slave her second whopping shocker.

Ethan and Jewel each have a job to do, and despite the hot chemistry between them, their relationship on the island is a fantasy at best. But murder and blackmail put them in dangerous positions, and theyll have to decide if love is indeed a fantasy or a choice which reaps its own rewards.
