

## Study Guide for Legal Research and Writing, 5th

Learn the basics of legal research and writing with this revised edition! Legal Research and Writing, 5E covers the variety of media formats in which modern legal research is performed including the Internet and CD-ROMs. The writing chapters introduce you to letter writing, the memorandum of law, the appellate brief and writing fundamentals needed when preparing any kind of document. Numerous photographs of books, sample pages and computer screens are also included.
