

# The Standardized Field Sobriety Test Battery: A Guidebook of Facts, Opinions and Advice for DUI Enforcement

The Standardized Field Sobriety Test Battery, A Guidebook of Facts, Opinions, and Advice for DUI Enforcement is a one of a kind book. It was created to bring the hundreds of relevant sources, studies, opinions, and legal rulings into a single publication. The book provides a step by step explanation of the tests development, their application, and the hurdles they face in the modern day legal environment. Tons of technical information is seamlessly combined with personal anecdotes and personal advice from an expert in its application in order to provide better understanding of the multiple facets of such a complex subject. This book is a MUST HAVE for every legal library, and is suggested reading for every officer involved with traffic enforcement or accident investigations.
