

The Fertile Elf: A Paranormal Smutty Short

The heady scent of the virile men intruded upon her nostrils, and she felt a thrill of desire and longing run through her. The innocent elven woman was devoted to her God, but when she prays for fertility, she didnt mean for it to be granted so literally. Surrounded by her Gods demi-god, shifter servants, her faith and devotion is put to the test as they quickly rid her of all her coverings to reveal her beautiful, plump brown body and lay her bare. Will she be able to serve them all and prove herself worthy to her God? Even as they take her hard and unprotected?
