

Monsters Made Me Gay: Banshee Gangbang

When Cameron finds a mysterious flier for a concert on the edge of town, hes more than a little suspicious, mostly because the venue burned down three years prior. But when he arrives he finds the place looking good as new, and the band is fantastic. After receiving backstage passes hes thrilled to meet them on the tour bus, but quickly realizes that things might not be exactly as they seem. Soon enough, he finds himself at the center of a groupie gangbang from beyond the grave. This is a 4,500+ word hardcore gay gangbang story featuring double anal, triple anal, straight to gay turning, monster sex, dubious consent, rough groupie sex, cream pies, and gay banshees.
