

Nolos Essential Guide to California Divorce (2016)

This book is Part One of attorney Ed Shermans famous How to Do Your Own Divorce in California. This is where you get essential information for any kind of divorcehow California divorce laws affect your income, property, debts and children. Most important, youll learn how to solve disagreements without going to court. There are references to Part Two, but if you do not plan to do your own paperwork, you wont need Part Two unless you want to use it to supervise a professional you hired to do your paperwork for you. If you decide you want the whole kit, you can get it for 50% off, so you wont end up paying more than if you had bought How to Do Your Own Divorce in the first place. Specific to California, this book gives you practical and legal advice in clear, simple language that will answer your questions and guide you to a faster, smoother, less painful and less expensive divorce. Shows you how to stay out of court and complete your divorce with little or no help from an attorney. How to: reduce conflict and avoid court battles divide property fairly without a fight deal with spousal support deal with child support, custody and visitation draft a settlement agreement
