

Bunner Sisters: An Edith Wharton Trilogy

TRILOGY - Three of Pulitzer Prize-winning author Edith Wharton's bestselling novels are in this Kindle eBook: Bunner Sisters; Ethan Frome; and The Age of Innocence. Bunner Sisters is set in a shabby New York City neighborhood, where Bunner sisters Ann Eliza and Evelina run a shop selling artificial flowers and bric-a-brac. As a birthday gift, Ann Eliza gives Evelina a clock, and it leads to a strange relationship with Herbert Ramo, owner of the queerest little store you ever laid eyes on. Jealousy, rivalry, and trouble soon follow. Ethan Frome is set in a fictional New England town and involves an engineer who recounts his meeting with Ethan, a man with a history of thwarted dreams. The book was turned into a Hollywood film. The Age of Innocence (1920) Newland Archer is looking forward to marrying beautiful May Welland, but he is not without doubts -- particularly after the appearance of Mary's exotic cousin Countess Ellen Olenska. The Countess is beautiful and scandalous. Wharton's Pulitzer Prize-winning novel is set in upper-class New York in the 1870s.
