

## Elloras Cavemen: Flavors of Ecstasy Vol.1

French Kiss Solange Ayre Amaryllis Gardner, from one of Bostons best families, is engaged to Dr. Brendan Bradford. Although wealthy, Brendan has no social status due to his Irish heritage. Amaryllis wonders whether hes marrying only to achieve social position. Suspicious of her fiances visit to a supper club/brothel, Amaryllis disguises herself as a French prostitute. They engage in a passionate sexual encounter that leaves both of them desperate for more. Amaryllis soon learns exciting new sexual techniques that thrill Brendan. As their craving for each other intensifies, she fears he desires the wanton prostitute more than his prim fiancée.

Hungry Like a Wolf Talya Bosco Twelve months after the crushing heartbreak of being dumped by Ethan, the gorgeous Alpha werewolf who was the love of her life, Amanda is finally picking up the pieces. But the ties that bind the two lovers are strong, stronger than Ethans resolve to stay away. One sizzling touch, one passionate kiss, is all it takes for the insatiable hunger inside each of them to explode into life. But Ethan has a determined rival, for Amandas affection and a whole lot more, and hell stop at nothing to win it all.

Resisting Reed Kristin Daniels Are lustful thoughts of your best friends son a sinful pleasure or an act of betrayal? Reed has never hidden from Marilee the decadent passions he wants to share with her. Now that shes free from her cheating ex-husband, shes finally able to let her resistance slip and give in to temptation. But when their relationship is exposed during an afternoon of sensual self-discovery, will Marilee lose a treasured friendship, or will she be able to keep it all, including the man she loves?

Extra Sensual Perception Debra Glass When Iris Thompson is asked to use her psychic skills to help solve a string of recent deaths, shes not surprised when her intuition points to a serial killer, all

evidence to the contrary. But she is surprised that, though there have been only three deaths, she psychically intuits four names. Even more shocking are her erotic trances featuring the handsome fourth man, known only as Peyton. As the images intensify, Iris has precious little time to discover if her extra-sensual perceptions are leading her to a victim-or the man of her dreams. **Having It All** Desiree Holt When country rock singer Mac Fontana got his big break, he and Daisy Giles celebrated with a long night of fulfilling sex, where they explored each others bodies and took their intimacy further than ever before. It seemed as if nothing could ever go wrong. Then Mac broke Daisys heart and it was ten years before they saw each other again. Now, in one long night of erotic sex, Mac must prove to Daisy that she can trust him again and that together, they can have it all. **Trapped** Cindy Spencer Pape Intergalactic bounty hunters Tabrin Jones and Zeyd Vasari, sometime lovers and continual rivals, are trapped for twenty-four hours in a tiny escape pod. To make matters worse, the atmosphere in the pod has the effect of loosening inhibitions. Amid the marathon sexual experience of a lifetime, will Zeyd also be able to convince Tab that they belong together forever?
