

## Endeavor (King Arthur and Her Knights Book 6)

Only a few weeks have passed since Brittor, as most know her, King Arthur was outed as a girl. Britts relationship with her knights is strained and precarious, Lancelot is mucking up everything from tournaments to questing, and Merlin starts to act strangely when a beautiful girl named Lady Vivien comes to Camelot. Can Britt reclaim her knights loyalty? Will Merlin finally realize how much Britt means to him?
