

Ensnared by the Dream Lord (Dark Lords Book 3)

Adriana beckoned the dark lord of the night, Morpheus, to save her from her tower prison. Innocent of blood and fair of face, he was compelled to answer her call with punishment for her daring on his mind. No mortal maid should have control of Morpheus Draguna, the powerful dream lord. No mortal would escape the havoc he would wreak upon her body. For under the guise of dreams, he would possess her, seduce her, punish her until he himself was caught in the very trap he sought to lay for Adriana. Rating: Novella. Previously released as Dark as Wine. Contains graphic adult language and sexual situations. Also contains an excerpt from upcoming full length paranormal romance, Heart of Darkness. Five Angels! a brilliant blend of fantasy and eroticism. weaves rich storytelling with evocative love scenes that make this work stand out. Fallen Angel Reviews
