

Seven Reasons Women Stay in Abusive Relationships, And How To Defeat Each One of Them

Since its publication thousands of women have used John Shore's revelatory *Seven Reasons Women Find Themselves in Abusive Relationships* to completely and permanently turn around their lives. Penetratingly clear and breathtakingly insightful, *Seven Reasons* is a must-read for any woman ensnared in a physically or emotionally abusive relationship. Such a relationship is like a frighteningly dark cave; *Seven Reasons* carefully, directly, and lovingly walks any women trapped in such a cave back out into the light. As surely as any abused woman will recognize herself in the seven reasons Shore gives for why people first get attracted to and then stuck in such relationships, she will find salvation in his prescription for defeating each one. A woman in an abusive relationship has lost something core to herself; *Seven Reasons* restores it to her. Here are just a few of the comments from readers who've read this book: Thank you...your post has helped me finally leave an emotionally abusive relationship with a man.
