

The Dragon and the Jewel (Dell)

With her sapphire eyes and silken dark hair, Princess Eleanor was a bewitching beauty made for a mans pleasure. Once a child bride, but widowed at a tender age, she swore never to marry again and took a vow of eternal chastity...until Simon de Montfort marched into England and set his smoldering dark gaze upon her, King Henrys youngest sister, the royal familys most precious jewel. Bold, arrogant, and invincible, the towering Norman knight inspired awe in the bravest of men...and a reckless desire in Eleanors untried heart. From the Paperback edition.
