We met at a creative writing workshop in Dublin in 2010. On discovering that we shared a passion for sexy mystery novels, we became the best of friends. In early 2012 we got a chance to co-write a series of erotic novellas for an American publisher. After we completed the second steamy romantic adventure without killing each other, we decided to take on something bigger. Q - Whats so special about the series? A - The Touch Series is Evie Hunters follow-up to the International best-selling Pleasures Series. Beginning as an S&M trilogy, the series has expanded into six blisteringly hot tales of kinky womens fiction, erotic adventure and romance, starring spicy alpha males. If you like strong story lines and erotic love stories with lots of explosive love scenes, The Touch Series may be just what you need.
