

Taming the Sheikh: Exotic Adventures for Erotic Nights (The Samarkand Sheikhs Harem Book 5)

Exotic Adventures for Erotic Nights The Samarkand Sheikhs Harem is a series of romantic, sensual, erotic novellas intended for adults only. These sexy adventures, part-historical, part-fantasy, are the naughty little secret of a multi-published romance author. Its midnight at the oasis city of Samarkand, which lies on the Silk Road from China through Persia to the Mediterranean Sea. In this 15th century land of silks and spices, caramel sand and lapis lazuli skies, Prince Tashfin ibn Ali takes his pleasure each night from one of the beautiful women in his harem. Samira first met Prince Tashfin three years ago, and shes never forgotten him. While on a state visit to the city of Qarshi, he caught sight of her in a crowd and sent for her to come to his rooms, where she spent a blissful, erotic week the like of which shed never experienced before, or since. Now, three years later, alone and in trouble, she arrives at his Palace in Samarkand hoping for help. The young Tash that Samira had fallen in love with has grown into a powerful man with a whole harem of his own. While his country teeters on the verge of war, his mind has turned from matters of love to battle, and it has been weeks since hes called for a woman to come to his chamber. Frustrated and angry, he looks up to see the midnight dancer he once loved and lost standing naked before him. Will he send her away? Or will he ask her to stay? Adults only.
