Fabulous Women is an adult colouring book with a wide range of scenes depicting lovely ladies at work, or just relaxing. From a mysterious Venetian masked lady, a carousel rider to a sweet girl feeding chickens, this book contains 24 hand drawn illustrations. There are younger and older ladies to colour, as all ladies are Fabulous!

This book is designed to challenge even the most experienced colourists, but there are however some simpler illustrations for some light relief! Single sided designs printed on medium weight white paper - perfect for pastels or coloured pencils. If you prefer to work directly inside the book using gel pens/markers, it is advisable to place a sheet of plain paper between the pages to prevent bleed through. Or, you are free to photocopy these designs on your favourite paper or card for your own use.
