

The Facebook Marketing Book

How can Facebook help you promote your brand, products, and services? This book provides proven tactics that you can use right away to build your brand and engage prospective customers. With 500 million active users worldwide, Facebook offers a much larger audience than traditional media, but its a new landscape loaded with unfamiliar challenges. The Facebook Marketing Book shows you how to make the most of the service while skirting not-so-obvious pitfalls along the way. Whether youre a marketing and PR professional, an entrepreneur, or a small business owner, youll learn about the tools and features that will help you reach specific Facebook audiences. Youll also get an in-depth overview, with colorful and easy-to-understand introductions to Profiles, Groups, Pages, Applications, Ads, Events, and Facebook etiquette. Approach Facebooks complex environment with clear, actionable items. Make sense of the social networking world. Be familiar with the technologies you need for social network marketing. Explore tactics for using Facebook features, functionality, and protocols. Learn how to set specific campaign goals. Determine which Facebook features are relevant to your campaigns. Plan and execute Facebook marketing strategies. Measure the results of your campaigns with key performance indicators.
