

Fair Game

Super-charged erotica from the award-winning author of *Show and Tell*. Josie doesn't need a man—unless it's for a night of no-strings-attached sex. And Kyle Perry is perfect for that. Except that Josie soon finds they have a professional tie that will bring them together again. And again. Now, Josie and Kyle engage in a battle of wills in business and in pleasure. What begins as a hot diversion of domination turns into an intimate game, where the role of slave and master shifts with each erotic move. But as the games escalate, they find themselves becoming bound by something stronger than they ever imagined.
