

100 Cases That Every Scots Law Student Needs to Know (Law Basics)

Fully updated in line with current law this popular title is designed as a learning aid and written in an informal style. The book is an exposition of 100 of the major cases, which have either created or illustrate well, the legal system as we know it today. The cases have been chosen primarily for illustrating important points of law in a large variety of legal disciplines. Publishing in the LawBasics series this book is a helpful easily digestible guide to the development of case law in Scotland, from the Union of the Parliaments to Devolution (and beyond?) 100 Cases LawBasics is presented in a clear, concise and accessible format. Written in chronological order, it can be read in that order or dipped into for particular cases or topics of interest.
