

Family Law for Paralegals

Focused on the nuts and bolts of family law that are important to paralegals, this book offers a generic (not state specific) approach that allows the material to be used by anyone, regardless of state of residence. A variety of illustrative cases from individual states are throughout, however to expose readers to the intricacies of family law. Marriage. Void and Voidable Marriages. Premarital and Postmarital Agreements. Dissolution of the Marriage. Jurisdiction and Venue. Divorce Procedures. Marital Property. Custody and Visitation. Child Support. Modification of Court Orders. Enforcement of Court Orders. Paternity. Termination. Adoption. For paralegals.
