

Fantasy Adventure: A Kaleidoscopia Coloring Book

Take a colorful journey through a realm of beauty, peace, danger and love. A land where fantasy becomes real. In this kingdom, the beautiful queen lives in a castle where the lovely princess plays in the garden and forest with the fairies, unicorns, butterflies and swans. Pegasus flies through the clouds over mountains past winged lions. Far below, unicorns roam the peaceful forest as fairies dance on the leaves of flowers. A unicorn befriends an adventurous mermaid who swims in the sea with a giant seahorse, plays tag with dolphins in ancient sunken ruins and relaxes on a giant clam. A brave knight defends the kingdom from a menacing two-headed dragon and is rewarded by the gracious queen and princess. Knights enter the royal tournament to joust and win the favor of the fair princess as dusk settles upon the kingdom. Let the adventure begin! Come Like us on Facebook and share your results!
