

Form, Fit, Fashion: All the Details Fashion Designers Need to Know But Can Never Find

An indispensable primer for students and first-stop reference for professionals, *Form, Fit, and Fashion* guides the fashion designer through the entire design process, from conceiving a garment to marketing it. This handbook collects the information and ideas essential to planning and executing fashion projects of every scale and distills them in an easy-to-use format that is compact enough to slip into a tote. Linking six central phases in the cycle of fashionresearch, editing, design, construction, connection, and evolution*Form, Fit, and Fashion* will help designers to develop effective strategies for building a cohesive collection and communicating their vision.
