

## The Expert Encyclopedia of Recording

Veteran music journalist Rick Clark conducted hundreds of in-depth interviews with some of the biggest names in the industry to create this extraordinary title. Tony Visconti, Danny Elfman, Eddy Offord, Trevor Rabin and Roy Thomas Baker are just a few of the contributors who share their special studio practices, tips, and anecdotes. A truly thorough look at the recording world, The Expert Encyclopedia of Recording covers everything from recording strings and horn sections to using creative production techniques on the latest musical styles. This definitive book will put in your hands the knowledge that has led the featured producers, engineers and composers to huge industry successes and millions of record sales.
