

Sharpshooter (Shadow Agents Series Book 3)

Heart-pounding action meets smoldering desire in USA TODAY bestselling author Cynthia Eden's Shadow Agents miniseries! Two years ago Gunner Ortez saved Sydney Sloans life on a mission gone wrong. And ever since then, hes been watching her back. Now a hostage-rescue mission is about to blow the Elite Ops agents lives apart once again. Working side by side back in the jungles of Peru, the heat between Sydney and Gunner is hotter than ever and so are the threats to their lives. With the danger escalating, Sydney knows Gunner is her only hope at successfully completing their assignment. But the ex-SEAL who arouses passion shed only dreamed about also poses the greatest risk to the secret she carries in her heart and in her belly.
