

## Fertile for the Boss (BBW Billionaire Erotic Romance)

Ashley is in love with her boss, the smoking hot alpha billionaire, Travis Cole. She'd rather assist him between the sheets than in the office, but she knows that can never happen. Especially after Travis receives a mysterious letter, and Travis begins acting more distant towards her. What Ashley doesn't know is that Travis has to give his family an heir by his thirtieth birthday if he wants to inherit the family fortune. His thirtieth birthday is only a month away and the clock is ticking.

Could Ashley be the woman he's been searching for? The woman who will let him fill her with his fertile seed, hard and without protection, for the first time in her life? This quick and hot read contains explicit sexual content.
