

Filthy Housewives: Explicit Erotica

Modern housewives will do anything to scratch an itch, even if it means involving their best friends wife, or even their best friends husband. The wicked, sometimes wayward wives in this seven-story, romantic erotica collection know just what kind of persuasion it takes to make their men cross the line. Looking for an erotic hotwife? Wives scheming to dominate their men -- or be dominated. Husbands who want to see to have and to hold include a few of the handymen. These expertly-crafted, unpredictable and clever erotic stories detail a litany of illicit, premeditated seductions -- sometimes drawing in dominant neighbors, surprised young studs, unsuspecting husbands turned into playthings, or wives caught being filthy. With a decidedly sexy twist on seven stories of wives bored and brimming with sexual fantasies, and husbands who want to fulfill every one of their secret desires, Violet Blue doesnt disappoint with this expertly selected anthology. Between the stories, charming intermissions offer household bondage tips, kitchen spanking suggestions, and cocktails to keep your filthy household running smooth as fresh-pressed silk. Each story was carefully crafted to spec for award-winning, bestselling erotica editor Ms. Blue, by seven of todays hottest erotica authors -- guaranteeing vivid characters, dramatic stories and a pulse-pounding, page-turning finish every time. This books contains adult situations, including spankings, domestic discipline, backdoor play, bisexual men and women, and explicit scenes. The book also depicts non-monogamous relationships and sexual activity (and penetration) involving more than two individuals.
