

BDSM Writers Con Anthology 2015

How do you take your BDSM? Light and naughty or with bolder twists and turns that'll leave you wanting more? Or do you travel along the razors edge, demanding a lover surrender all? Roz Lee starts this years BDSM Writers Con Anthology with a light D/s story about justice in Sentenced and Kestra Gravier reveals a few behaviors Not Safe for Work. Arlee Scott makes her writing debut by sharing a naughty power exchange in The Birthday Present, while Elizabeth SaFleur shows how theres more to submission than merely surrendering in White Jeans. Just like steam rises, so does the level of our D/s as Cris Anson starts pushing the boundaries in It Takes Two to Tango and Becca Jameson demands Blind Trust from her submissive. Gray Dixon proves that a little exhibitionism can open many doors in Scene and Be Seen, while Rhiannon Ayers reveals what is meant when a Dominant declares, The Pleasure Is ALL Mine! And if you dare venture to the edge, Alaska Angelini will remind you to be careful what you wish for in her hard-hitting BDSM dark erotica, Rush. BDSM Writers Con Anthology 2015 is edited by Dr. Charley Ferrer, world-renowned Clinical Sexologist, BDSM Educator and founder of BDSM Writers Con.
