

Love in the Fortress (The Blood Rose Series)

A Mastyr Vampire. A beautiful fae-slave. Trapped in a fortress. Can love bloom in the midst of a nightmare? Mastyr Vampire Griffin hates his enslavement in Margettas fortress. He sought death a thousand times because of it, but was denied when the Ancient Fae brought him back repeatedly, forcing him to train her evil army. When a beautiful fae-slave, Sandra, tells him to live, he begins to believe his life could have more meaning than a tortured existence in Margettas hidden army camp. But will his growing love for Sandra put her at even greater risk? Sandra has served the Ancient Fae as her slave for thirty years after an Invictus attack destroyed her family. Sent to work in Margettas fortress, grief for the loss of her husband and young son have dominated her heart. When Mastyr Griffin arrives, however, she begins to see that love can exist even in the midst of a nightmare. But when she reaches out to the solitary mastyr vampire, the dangers of fortress life threaten her at every turn, especially when she discovers shes one of the most coveted women in the Nine Realms: a blood rose.
