

## Forgotten Vows...? (Silhouette Intimate Moments)

?This fast-paced romantic suspense is sure to keep readers up all night with spines that tingle, hearts that race, and spirits that soar. A definite winner.? ~The Gothic Journal Ash is a slightly claustrophobic investigative reporter on the trail of a serial killer, who thinks his Ms. Right is Suzy Homemaker. As part of his investigation, hes pretending to have amnesia. Joey is a Harley-riding psychic with a penchant for caves and a vested interest in catching the same killer. As part of her investigation, shes pretending to be Ashs wife. Neither can admit the truth, nor deny the passion that flares with every touch, and might just cost them their lives. This 1994 Maggie Shayne Classic was her first serial killer story, (featuring the dreaded Syracuse Slasher) and one that holds up every bit as well today as it did when it was first released. Be sure to check out the other books in the Maggie Shayne Classics Line: Mirandas Viking, Dr. Duffys Close Encounter, Annies Hero, Fairytale and Forever Enchanted.
