

A Warning (The Omar Bell Universe Book 2)

After years of making his living by robbing drug dealers, Maurice finally crosses the line from nuisance to problem when he repeatedly targets a powerful drug lords business. When hes inevitably captured, the drug lord seeks out Dr. Omar Bell to help him develop a way to transform Maurice from stick-up boy to a walking, talking warning to anyone who might have similar aspirations. This is a work of feminization erotica, and is the second part of a much larger story.
