

Slammed by Navy SEALs: Four on One

Lyla just baked a cherry pie, and shes bringing it to the Army base. But its not for her husband. Its for the four sexy Navy SEALs who are on the Army base teaching weak grunts like Lylas husband how to be real men. The SEALs take Lylas cherry pie--and Lyla--hard and fast. Mad Dog is a black badass, while Benedict is the biggest man with the biggest...gun...that Lylas ever seen. Major Love and Thrasher join in on the action, and even though its Four on One, Lyla can hold her own against these tough-as-nails Navy SEALs. She doesnt need protection to take on these massive men, and even her husband barging in and watching wont be enough to stop her, because knows that in nine months, everything will change for the better.
