

Sinful Steps (A Steamy TABOO Romance)

I was a good girl: responsible, hardworking, dependable. So why did I suddenly feel so naughty? It all started with a seemingly harmless decision to skip one day of school. But curled up in the arms of my STEP was never where I expected to end up. And now that I was, I wasn't sure I could ever leave. This wasn't supposed to happen. Not with him, anyway. Not like this. But we can't stop now.
