\*\*Pale Gardens Menage Book 3 - can be read as a standalone, 28,000+ word novella\*\* \*\*BBW Shape Shifter Menage Romance\*\* Have you ever wanted something as badly as this? Curvy kindergarten teacher Becca Gibson is moving on. She doesn't need to go gallivanting around town with dreams of a knight-in-shining armor, thank you very much. She's happy with her job, owns her own house, and has escaped a terrible 10-month marriage that left her life in shambles. That's why her sister's insistence that she stop casually dating and actually settle down is starting to get on her last nerve. It's also why Seth Davidson, a sexy local fireman, and Ash Whitaker, the fifth grade's newest hunk of a teacher, are throwing her for a loop. How can she handle so much heat when she's in no place to be tempted? And will she be able to bear it all for the men who want her most?
