

Fundamentals of Web Design, Design Journal and Course Project Workbook Q15(Cisco Networking Academy Program) (Cisco Networking Academy Program Series)

The only Cisco-endorsed and recommended design journal and workbook for the new Adobe Systems, Inc. sponsored curriculum. Written and developed by the co-authors of the Fundamentals of Web Design course. Complements and maps to the Web-based curriculum as well as the Cisco Press Companion Guide and Lab Companion products. The only title whose learning format is dedicated to hands-on labs, exploratory exercises, and review material to increase your learning potential. Accompanying CD-ROM includes everything you need to construct the web site for the Course Project as well as video demonstrations of select labs and helpful reference material. Cisco Networking Academy Program: Fundamentals of Web Design, Design Journal and Course Project Workbook is the only Cisco-approved and -recommended workbook for the Cisco Networking Academy Program: Fundamentals of Web Design Web-based curriculum. This title provides you with discovery exercises, focus questions, review questions, and the labs from the Web-based Course Project to supplement the online course. The accompanying CD-ROM includes everything you need to construct the Course Project web site as well as video demonstrations of select labs and helpful reference material.
