

Tempting the Hot Navy SEAL (Naughty Nymphomaniac Book 4)

After having sexual relations with ten men in her barn, Mika Jamison is now severely grounded. A prisoner in her room, she chances upon someone who calls himself HOT NAVY SEAL 21 on an adult dating website. The hot navy SEAL turns out to be a supremely, achingly hot guy stationed in Iraq, and Mika finds herself sex-mailing and showing off her body to him over Skype. But all too soon, he gets his walking papers and catches a flight to meet Mika. Is he everything Mika has hoped for? And is she prepared to handle more? This erotic romance novelette (11,500 words) is Volume FOUR of the NAUGHTY NYMPHOMANIAC series. It's written in Mika's witty, tongue-in-cheek and savagely funny voice. BOOKS IN THIS SERIES I was a Naughty Nymphomaniac Officer, Please Spread and Cuff Me, Gang Banged by the Chain Gang, Tempting the Hot Navy SEAL, The Billionaire Maharajah's Concubine (NEW!) Excerpt: Do you want to see my tits? I ask daringly. Im not going to flush. I swear it. Im not the easily embarrassed sort anyway. And Ive never shown my tits to any man over a computer before, so Im kind of turned on. In fact, Im majorly turned on. He gives me an incredulous look. You shittin me? No. Im wearing a cream-colored sweater with a boat-shaped neck. I havent brought any tight clothes with me because my foster folks are such prudes. Im not wearing a bra. He seems paralyzed. His eyes are still in that youve gotta be kidding me mode. Uh, OK. If youre gonna show me your titties, Im all eyes. He visibly swallows, the Adams apple moving deliciously down his throat. I mightnt be able to handle it though. I havent stopped smiling through all this. OK, here goes, I announce. He sort of braces himself and leans back as I slowly peel off my sweater. I start at the hem, of course, and inch the cotton fabric bit by bit over my chest, pausing there with the sweater

enveloping my head. Its an incredibly hot pose, I know. Ive practiced it many a time on Jake. There comes the sound of labored breathing over the Internet. Oh God, what are you doing to me? he rasps, his voice husky. I shrug off the rest of the sweater, revealing my breasts in all their naked glory. His face has taken on a flush and hes leaning back in his chair, breathing heavily and visibly. The rise and fall of his chest only serves to accentuate his musculature, and I find myself mentally undressing him. I cant see his hands. He tries to speak, but shakes his head wildly instead. With both palms, I push my humungous breasts up and offer them invitingly to the screen. My red, red nipples are erect and they point right at him like teasing fingers. I know my breasts are impressive. It is (they are) a fact. They are shapely and titanic and totally squeezable - my darling mounds and mounds of sweet, tan-colored, very tasty flesh. An unzipping sound cuts right through time and space on my audio. I can see Bens arms moving on the screen, obviously working on something down there. He licks his lower lip. His brow, unhampered by hair, glistens slightly. Oh baby, youre making me so hard I think Im going to come right now. His voice is so hoarse that I can scarcely make out his words. A familiar excitement sends an electric tingle through me. I revel in making men come. I say in a low, seductive voice, Why dont you show me what youve got down there? He flashes me that Are you fucking around with me? look again. Y-you want to see it? .
