

Turned And Tattooed: A Straight To Gay Interracial Gangbang Fantasy

Will has always wanted a tattoo, but never found a good enough reason to take the plunge. When his girlfriend breaks up with him, he decides a break up tattoo might be the perfect solution to put his mind at ease.

The perfect opportunity arises when a strangely arousing, black man arrives as the nude model for his art class, covered in ink, but when Will drives to his shop he quickly realizes that hes crossed over onto the wrong side of town... And crossed the line between straight and gay! As the only client for the night, this suburban white boy suddenly finds himself surrounded by a group of horny black tattoo artists, and when his wallet goes missing, Will is forced to pay on their terms with a rough, interracial gangbang! This is a 4,100 word hardcore gay gangbang story, featuring double penetration, double anal, straight to gay turning and rough interracial sex.
