

General Misconduct

A chance encounter, a chance at love and one heartbreaking choice. A Conduct Unbecoming Sequel Ensign Aiden Lange is taking a hike and it's not for the pleasure of seeing Okinawa's Hiji Falls. It's in the hope that claiming he took a fall on the rocks will cover up the fact he was beaten up in a gay bar. Not a place a Naval Academy grad wants to get caught if he's serious about his career. At the end of the trail, a surprise comes with the scenery. A gorgeous young guy in swim trunks. Connor didn't come up to the falls to find a man, but he's instantly intrigued by the ensign with the bandaged eyebrow. A hike turns into dinner, and before he knows it, he's up to his heart in love with the gentle, infinitely patient Aiden. It's a small world, though, and an even smaller island. It's only a matter of time before they're caught by a man who's more than just Connor's overprotective father. He's also Aiden's high-ranking boss. Someone with the power to force Aiden to choose Connor, or his naval career. Warning: Contains two adorable guys who don't give a damn that the decks stacked against them, plenty of sex on the beach, and the hottest application of sunscreen you've ever read.
