

Genesis

GENESIS, a new graphic novella from Image Comics by Nathan Edmondson (WHO IS JAKE ELLIS, The Punisher, Black Widow) and new comic book artist Alison Sampson (OUTLAW TERRITORY), pairs sweeping visuals with poignant writing in a story that cannot be missed. GENESIS is a trippy journey of creation and destruction as one man finds himself with the ability to manifest anything by thinking it-only to learn that with seemingly unlimited power comes unstoppable terror.
