

## Busted Step (Taboo Erotic Step Brat Romance)

Beth has broken the rules of the house one too many times, and now the alpha man of the house has had enough. It was time she learned to respect his authority and stop playing the innocent young maiden. The thing is, Beth really is as innocent as they come, never giving herself to any of her boyfriends completely. But there's a first time for everything, and Beth's first time starts right now. And it's going to be hard, fast, and without protection!
