

## Road Traffic Reports 2002

Respected as an authority for over 30 years and often cited in court, Road Traffic Reports are full text reports of decisions in higher courts on road traffic law. Sources include The House of Lords, Privy Council, Court of Appeal (Civil and Criminal Division), Courts-Martial Appeal Court, Divisions of the High Court, and relevant decisions of the European Court of Justice. \* Full case reports, many unreported elsewhere \* A digest of cases, providing a quick at-a-glance guide to contents, accompanies each issue \* Key word summaries of each case highlight the case coverage in each issue \* Each issue includes a comprehensive cumulative index
