

Goodnight, My Love

While still in high school, Gina Bertolotti finds her free time taken up with working in her family's bakery. Life suddenly takes an exciting turn the first time she lays eyes on handsome and charming Tony La Rosa. Gina is convinced that Tony, a local young man with dreams of leaving that seaside town for Hollywood, is destined to become her own personal leading man. Enter Kelly Whelan, a rugged fisherman with responsibilities beyond his years, who is almost the polar opposite of Tony. Both men will have an impact on Gina, whose heart will learn the difference between that thrilling first love and the much more rare and lasting true love.
