

## 2014 Classic Cats Mini

David McEnergy has no doubt about who mans best friend really is. His frolicking felines have captured the hearts of viewers around the world. McEnerys transformation from a British photojournalist to an internationally-known cartoonist with a camera was brought about when he adopted Sylvester, a small ginger tabby who turned out to be his best model. He and his bewhiskered friends continue to find endless ways to amuse us.
