

Guarding Isis (BWWM): fertile erotic romance QuikRead

Isis Zaccaris is an infuriating brat, who is always giving her bodyguard the slip, this time by jumping out of a moving vehicle. When Shawn Vallero tracks her to a cheap hotel room with a skinny boy, his anger reaches the boiling point. Pushed beyond his limits, he ends up dishing out a sound spanking to the spoiled young woman. In the process, they both come to the startling revelation that they want each other. Sex with Isis promises to be amazing, but will Shawn be brave enough to open up to her and tell her the fantasy he has of putting a baby in her belly and watching it grow round with his child? This is a QuikRead and the perfect length to finish during the morning commute or while waiting for an appointment. No cliffhangers! Bonus material includes an excerpt of Snowbound, also by Kristianna Sawyer.
